- **Serenity**
- **Joint Tonic**
- **Deep Immunity**
- **Immune Insurance**
- **Fem Balance**
- **Aller-Shield**
- **Digest-It**
- **Liver Rehab**

THC DISTILLATE SYRINGE

One gram of potent, THC-rich distillate in our calibrated Synergy glass syringe. Hand-crafted, small batch extract with no contaminants or unwanted compounds. Food-grade ethanol extracted and carefully distilled for full-range of cannabanoids. Can be used for vape cartridge refills, dosing homemade edibles, and direct ingestion. Strain-specific terpenes can be added upon request for a nice clean and fresh flavor. Choose from Sativa, Indica, and hybrid.

FULL SPECTRUM OIL SYRINGE

One gram high-quality 100% pure full-spectrum cannabis oil (FSO). Grain alcohol extracted, delivered in our elongated 1 cc calibrated glass syringe. Rich in many of the natural compounds found in cannabis flower, providing anti-inflammatory, antioxidant, and antimutagenic properties. Can be used for vaping, cooking, and direct ingestion. Choose from Sativa, Indica, and hybrid.

FSO VAPE CARTRIDGES

Our Full Spectrum Oil (FSO) cartridges are the closest thing to smoking flower without the smoke! Rich in cannabinoids, terpenoids, flavonoids, and natural pigments, FSO provides the flavor and many benefits of cannabis flower along with the convenience and elegance of vaping. Absolutely no added thinning agents, contaminants, or artificial flavors. Experience the best of both worlds!

THC DISTILLATE VAPE CARTRIDGES

We infuse our THC-rich distillate for vaping with a light and balanced blend of cannabis-derived natural terpenes to add a delightful flavor and enhance the synergistic healing effects of cannabis. Comes in our convenient 510 vape cartridge with porcelain mouthpiece. Handcrafted with no harmful thinning agents or contaminants. Extracted with food-grade ethanol and carefully distilled to achieve a full-range of cannabinoids.

VAPE PEN BATTERY

High quality battery pen with pre-heat function and 3 voltage settings (low, medium, high). Fits All 510 threaded vape cartridges. Comes with handy USB charge cable. A convenient, portable, clean, and discreet way to take your medicine.
